Manuela Ferreira: «manuelaferreira@ese.ipp.pt»

¶ CALL FOR PAPERS FOR THE N° 2 OF THE VOLUME VI

Editors: Celda Choupina, Adriana Baptista, Ana Maria Brito and Miguel Santos

Publication > **Winter 2016**

The issue n° 2 will be thematic:

MORPHOSYNTAX PROPERTIES OF PORTUGUESE SIGN LANGUAGES AND OTHER SIGN LANGUAGES

This thematic issue results from the 1st meeting on Morphosyntax of Portuguese Sign Language (LGP) and other Sign Languages, held at the Faculdade de Letras from Oporto University and at the Escola Superior de Educação of Polytechnics Oporto Institute, on November 2015, 26-27.

The volume includes two sections. The first focuses primarily on the structuring theme of the Meeting, Morphosyntax issues in LGP and other sign languages, accepting articles from various sub-themes, dependent or correlated.

¶The second section, called Varia, includes articles focusing LGP and other Sign Languages related issues, namely education, diffusion and use, as well as book reviews of recent publications that analyze the structures and the functioning of sign languages.

Deadline for submission of proposals

¶ **31st august 2016**

The proposals must be sent to > celda@ese.ipp.pt
